

DELIVERING YOUR IDEAS BEGINS WITH A PLAN.

Prioritize your needs.

A fully developed budget plan will guide the choices you make along the process, leading you in the best direction to satisfy and fulfill what's most important to you.

Whether you are renovating your bedroom, bathroom, or the entire basement level of your home,

Working with W.I.N.D. is a breeze.

All of our projects include these services:

Design Development	Idea Presentations	Project Management
floorplan, concept drawings, color scheme and finishes, furnishings & equipment plan	sourcing & selection of major components, fixed elements, finishes & decor, samples & 3D renders	define project scope, coordinate build schedules, oversee construction

ASK ABOUT OUR COLOR CONSULTATIONS
