

WORKING WITH W.I.N.D. IS A BREEZE

Right-Size Down-Size Long-Term *Move*

Breathe and go at your own pace.

We offer 3 simple plans that deliver a smooth transition to your new home. We work the plan together,

Realize your personal underlying values.

Relationships between the design of our space and the pieces that adorn it are wholly personal.

Empathy is our mode of operation

Sort household contents & belongings rationally AND emotionally.

Every item has its own destiny

Our goal is to reduce relocation trauma & overwhelming situations that lead to stress.

Zen is a state of mind.

Methods to help you focus only and intentionally on the items you're taking with you or keeping in your home.

Easy does it.

We're with you every step of the way.
